Design & Supervision

ADCE has undertaken substantial volumes of new construction activities ranging from multi-storey high-rise towers to low-rise buildings for residential and commercial use across the United Arab Emirates.

- PROJECT MANAGEMENT
- CONSULTANCY
- DESIGN & SUPERVISION
- VALUATION & APPRAISAL

Our design team provides full architectural design services for master planned communities, mixed use developments, commercial and residential buildings including renovation, conversions and extensions of existing buildings.

With our in-depth knowledge in development best practice, construction methods and building regulations, we can guide you through the various stages of development from planning, implementation, monitoring and controlling through to building completion and handover.
